EDUCATION

Bachelor of Science Degree – Media Animation & Arts
Art Institute of Pittsburgh (online division) Nov. 2017
Dean's List
Honor Roll GPA: 3.66

ACADEMIC ANIMATION PROJECTS

• In my Production Course, me and my peers worked on short film called, "So, You Want to Be a Character Designer". My job roles on this short film was a 3D Prop/Environment Artist.

• I made a 30 second commercial of a moving service company. I created a cardboard box 3d model prop and I had a green screen footage with an actor acting if he was lifting something.

DIRECT CUSTOMER SERVICE EXPERIENCE

Outside Machinist Handyman
Marine Hydraulic International 2016 to present
Assist other Machinists in complete cleaning, pulling off parts, and putting parts back together on US Navy ships, and thoroughly clean parts in and sandblast parts.

Lot/Paint Sale/Lumber Sales Associate
Home Depot 2012 to 2015
Professionally assist multiple customers with questions regarding painting, other departments, mixing paint colors, stocking, and cleaning. Safely operated forklifts, reach truck, and order pickers to maintain efficiency.

Sales Associate
CITGO Corner Mart 2010 to 2012
Maintained a professional demeanor with large numbers of customers, maintained a balanced cash drawer, cleaned/stocked store, and verified levels of gas tanks.
